

SIDING-MASTER™ STRIPS & ACCESSORIES

WORRY-FREE INSTALLATION

The **SIDING-MASTER™** system includes a full variety of accessories to complete the straight and professional look of your vinyl siding.

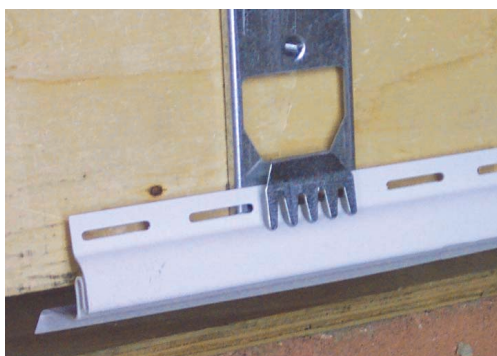

SIDING-MASTER™ provides WORRY-FREE INSTALLATION and a LIFETIME TRANSFERABLE WARRANTY on materials!

Accessories

FAST-START™

Starter Strip/Foundation Cap

The vinyl starter strip installs easily in place to provide a straight, level start for the vinyl siding.

Vent Holes allow moisture to escape from the foundation of the house.

Foundation Cap protects foundation from unwanted pest invasions!

FAST-FINISH™

Trim Adaptor

Completes the edges of vinyl siding above the panels and around windows and doors for a finished look.

Allows vinyl siding panels to expand and contract naturally to prevent warped siding

Reduces the chance of top panel blow-off while achieving a straight and professional installation

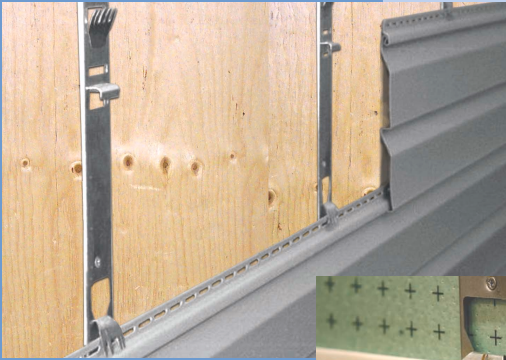

Order SIDING-MASTER™ from your local dealer today!

SIDING-MASTER™

Strip & Accessories Specifications

The SIDING-MASTER™ strips are installed with screws every 24" to provide a secure fit for the vinyl siding, yet still allowing the necessary panel movement for straight siding year after year.

8", 9" and 10" exposure strips are available to accommodate most vinyl siding styles on the market today. This allows you to choose the siding you prefer and have the comfort of a worry-free installation. Made of high gauge galvanized steel, your SIDING-MASTER™ strips are warranted to retain their finish and not discolor your vinyl siding for as long as you reside in your home.

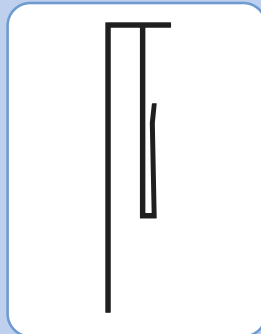

Ask your dealer for written warranty on strips and accessories.

FAST-FINISH™
Trim Adaptor

Profile

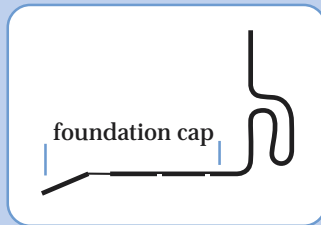

Trim Adaptor can be used with both J-channel and utility trim for a perfect fit and stylistic match to the vinyl siding.

The FAST-FINISH™ accessory gives us the backing to warranty against panel blow off in winds up to 130 MPH, or a Category 3 Hurricane!
